

Tim Krauß Stuttgart, Germany | Toronto, ON tim.krauss@mail.utoronto.ca | github.com/Glitch-0x

EDUCATION

University of Stuttgart Stuttgart, Germany B.Sc. Electrical Engineering and Information Technology Oct 2024 – Present • Grade: 1.2 German Scale (~3.9 / 4.0 GPA equivalent) • Honors: Ranked #1 in Cohort (Summer 2026) • Focus: Automation, Control Engineering, Power Electronics & Hardware Systems

University of Toronto Toronto, Canada Study Abroad Exchange Student – Electrical Engineering Fall 2026

TECHNICAL SKILLS

• Languages: C, C++, Python • Hardware & EDA Tools: Cadence Virtuoso, Circuit Simulation, Microcontrollers • Systems & IT: Windows Server, VPN & Networking, System Maintenance • Spoken Languages: German (Native), English (C1), Chinese (A2)

EXPERIENCE

Medical Practice Stuttgart, Germany IT Administrator Nov 2024 – Present • Configured and deployed client workstations and a central Windows Server. • Set up secure remote VPN access and automated maintenance scripts.

LUIS e.V. Ludwigsburg, Germany Student Assistant & Tutoring Feb 2020 – Oct 2024 • Managed archive data, organizational tasks, and educational support logistics.

Stadtwerke Ludwigsburg Ludwigsburg, Germany Technical Intern Oct 2021 & July 2023 • Inspected power grid infrastructure and renewable energy systems integration.

PROJECTS

Autonomous Model Car System • Implemented drive control software and real-time Wi-Fi communication in C++/Python.

CMOS Ripple Carry Adder (IC Design) • Designed physical transistor layout and ran DRC/LVS checks in Cadence Virtuoso.

HONORS & SCHOLARSHIPS

• Richard Hirschmann Foundation Award (2026) • Anton and Klara Röser Foundation Study Award (2025) • Baden-Württemberg Scholarship (2026) • Deutschlandstipendium Scholarship (2025 – 2027)
